

Call for Proposals

Funding for Student Organizations

Yale student organizations seeking funding to sponsor Latin American and/or Iberian-related activities on campus can submit applications to the Council on Latin American and Iberian Studies.

Proposals will be accepted for student-led events that advance the understanding of Latin America, Spain and/or Portugal on the Yale campus. Requests for funding will be considered for exhibitions, cultural presentations, scholarly journals, film screenings, conferences, workshops, symposia, and lectures, among others. Proposals that will have an impact on the Yale and New Haven communities are particularly encouraged. The Council will not consider requests for the purchase of equipment, food or alcohol. *Awards can be expected to range from \$250-\$750.* Applicants are encouraged to seek additional funding or matching grants.

All recipients of the award will be expected to credit the Council on Latin American and Iberian Studies at the Yale Center for International and Area Studies in any publicity or announcements that are sent out. A copy should also be sent to the Council *before the event* for posting through its email listserv. Awardees will be expected to submit a one-paragraph report informing the Council on the outcome of the event.
